Dear Client,

Our 1 point spread markets have proved to be extremely popular with you during the last 6 months, and we will continue to be the ONLY spread betting firm in the UK to offer 1 point spreads on the following headline markets:

**FTSE, DAX & CAC - Rolling Futures Markets \***

**EURO/\$, USD/JPY & USD/AUD - Rolling Spot \*\***

Unfortunately, due to increased market volatility, with effect from **TUESDAY, 20 FEBRUARY**, we will now be **TWO** Point Spread on the following markets:

**GBP/USD - Rolling Spot \*\***

**WALL ST - Rolling Future (2.35pm to 9.00pm only)**

Note that this is still better than any of our competitors. You will not find these markets offered anywhere at better spreads.
